With the very hot days of summer that we experience, it makes sense to adopt some "Fun 'n the Son" survival strategy! So, let's take it easy and be cool as we pray that we will be blessed with the summer survival sermon series! This sermon series will highlight great Bible stories, give practical advice for summer activities; and most importantly, it will allow us to search the Scriptures for God's Word and God's will for us - even during very hot temperatures!
